

# HEALTH MATTERS

## MEET THE COMMUNITY CONNECTORS

We have two Community Connectors: Liz Denbury and Veronica Shaw. Community Connectors provide non-medical intervention assisting residents in whatever way they need. This may be help with shopping, walking, or running to name just a few. Residents are sign-posted to professionals if needed. Not all referrals need to come through the surgery; this can be done word of mouth or direct to WiltsCIL. There are no timescales involved; Liz and Veronica are there until patients no longer need them.

### Liz Denbury Calne & Yatton Keynell PCN Community Connector

**My role:** I thoroughly enjoy my role as Calne and Yatton Keynell Community Connector. I love being in the community and 'walking alongside' people. We work together on a strengths-based approach looking at what skills they have to move forward. I like to find out how people can enable themselves to live their best lives. I am there to encourage and support them in all that they do.

**My interests:** I love Pole Fitness, 1940's-1950's fashion, walking in our stunning Wiltshire countryside, cooking (especially Indian food) and spending time with family and friends.

### Veronica Shaw Calne PCN Community Connector

**My role:** I am looking forward to becoming involved in community life in Calne, to be able to walk alongside people as they discover their good life, it is such a privilege to be part of their journey as they create their good life, to celebrate achievements, to see them thrive and grow in confidence.

**My interests:** I enjoy long walks with my dog, sewing, reading but what I love most is spending time with family and friends.

## SPRING BOOSTERS

We are currently offering the Moderna Spring Booster Vaccination to eligible patients weekly on a Monday and Wednesday after 5pm (subject to demand). Please note that we will only be offering this service until the end of June.
