Any questions call: **01380 710 300** and select **option 2**
We look forward to seeing you there!

Prescription Requests:

When can I order my prescription? Repeat prescriptions can only be issued within 7 days of the next due date.

Going on holiday? Early requests for holidays must include your travel dates.
Please note: all other requests will not be issued and must be requested again when due.

Order online: using the NHS App of SystmOne; it's quick, safer and accurate.

Something missing from the repeat list on the App or Online:

- Items will only show 7 days before they are due for their next issue
- All repeat medication is authorised for a year then must be reviewed, if your review is due then items may not show as available
- As part of your annual review, you may need blood tests and a review appointment, please respond to any review requests to book your review

**Are you aged 75 to 79?
You can protect yourself
from serious lung infection**

Every year, thousands of older people need hospital care for respiratory syncytial virus (RSV) infection. It affects the lungs and can cause pneumonia.

RSV vaccination is the best way to protect yourself. Your age makes you a priority for a free NHS vaccine.

Your GP surgery will contact you to offer an appointment.
